

**TO THE RESIDENT**

Please be advised that RURAL BIN SERVICE have engaged the services of J.R.Richards Waste Management for the purpose of processing all recyclable material gathered from the Central West region of NSW. All household recyclable materials collected by Rural Bin Service are forwarded to the J.R.Richards recyclables processing facility in Orange for bulk handling, separation and forwarding to legitimate / appropriate recyclers based within NSW.

Yours Sincerely,

Glynn Stewart  
Regional Manager
